

January 2024

Dear Student Leader:

Congratulations! We are pleased to inform you that you have been nominated to participate in the **UthMpact Leadership Program**. It is an exciting program offered by InnerAct Alliance, StandUP Polk Coalition, UthMpact Coalition, and key business partners designed to help youth develop crucial leadership skills.

Approximately 40 Polk County high school students will be chosen, based on demonstrated scholastic achievement and community leadership experience, to take part in this 9-month program that offers a unique opportunity to experience the inner workings of local government, healthcare, business, and law enforcement. Involvement will help to further cultivate leadership skills and may be advantageous to you in other ways, including valuable exposure to top employers in the county and possible future scholarship opportunities. Additionally, you will have an opportunity to share the knowledge and skills you learn with peers at your high school.

Participants will spend six school days (with excused absences) once per month (September through March, excluding January) traveling throughout the county to meet with key community leaders, learn about the services they offer, and discuss the challenges that face our community now and in the future. The program is provided at no cost to the school system or to the participating students. Participants are required to attend a retreat in the summer for a fee of \$30 (scholarships are available). Themes for the UthMpact Leadership days include: Volunteerism; Health & Wellness; Law Enforcement; Government; Business; and Planning Day. Participants will enjoy behind the scenes facility tours and take part in hands-on learning experiences. Each day will conclude with a general meeting at which students will meet with their peers, report about their experience, and address issues and solutions to better our community.

The Polk County School Board and your school Administrators support this effort and have empowered us to reach out and invite you to apply for this great program.

Here is what you need to do.
